- D. Ceiling Rod Sleeve
- E. Rod
- F. High Holder
- G. High Hook
- H. Twin Clip
- I. Panel (and Mat) Holder
- J. Long Holder
- K. Frame Hook

Please use D-rings to protect our walls, proper screws to solidly hold the frame and wire using the correct gauge for the weight of your art. Tightly wrap a good 1-1/2" at each ring.

Be sure to use the correct wire gauge for the weight of your artwork. Example: #2 wire holds maximum of 15 pounds.
